If you need special assistance to participate in this meeting, please contact Kerrick Gooden at citymanageroffice@ashlandoregon.gov or 541.488.6002 (TTY phone number 1.800.735.2900). Notification at least three business days before the meeting will enable the City to make reasonable arrangements to ensure accessibility to the meeting in compliance with the Americans with Disabilities Act.

2200 Ashland St Ad Hoc Committee

Meeting Minutes

Friday, December 17, 2025

9:00 AM Meeting

Ad Hoc Committee Members Present: Committee Members Beers, Houk, McNeil, Neisewander, Norton, Werthaiser.

Ad Hoc Committee Members Absent: Meeds

Ad Hoc Committee Members Excused: West

Mayor and Council Present: Gina DuQuenne, Tonya Graham

Staff Present: Sabrina Cotta

I. Call to Order

Houk called meeting to order at 9:01 a.m.

II. Approval of Minutes

Beers moved, McNeil seconded. Motion passed.

III. Public Forum: None

IV. New Business

1. Chair & Vice Chair Selection

Neisewander nominated Werthaiser for chair. Nomination accepted.

Neisewander moved for Werthaiser to be Chair. McNeil seconded. Roll call vote: - Yes Beers, Norton, McNeil, Neisewander, Houk. Motion passed.

V. Old Business

Update Site Planning:

Discussion regarding info needed and thoughts on the site. Process for finding partners discussed. The group will send information on transitional housing, including container housing, and site development recommendations to Sabrina for the March meeting packet. A meeting with Jackson County Housing Authority will be scheduled.

Update: Services and Accountability

2200 Ad Hoc Committee Meeting December 17, 2025

Social coordinator position discussed. Barriers at shelter discussed.
Process for leasing space and recommendation to Council discussed.
Committee requested building usage costs for month of December.

VI. Next Steps

Group decided that policies and service types would be discussed at the February Meeting with the request that a draft recommendation around policies and service types be brought to Council the first meeting in March to allow for Council feedback prior to public engagement and final report drafting. The March meeting will be utilized to finalize site development recommendations to take to Council. The goal is to provide Council with a comprehensive report with recommendations in April recognizing the adopted master plan that restricts drop-in services and preserving the severe weather shelter operations at the building. Public engagement at 2200 Ashland Street the first week of April 5:30 – 7:00p.m. was requested to solicit feedback on the draft recommendations. The group decided if needed a special meeting to complete the work will be called in April pending how development of recommendations go.

VII. Adjournment

Neisewander moved to adjourn. Motion was seconded by Beers. Motion passed. The meeting was adjourned at 9:58a.m.

2200 Ashland St. Ad Hoc Committee Notes Friday January 16th, 2026

- Discussion only due to lack of quorum.
- McNeil gave an overview of what the site planning committee has been working on.
- The group discussed what Letters of Intent or Requests for Proposals may look like for the site.
- The group discussed if they should chat with any other providers or sites regarding housing sites with suggestions to explore Age Plus and HUB City.

Some additional resources that may be useful for the group include:

- <https://unitedtoendhomelessness.org/blog/types-of-housing-support-for-the-homeless/>

- <https://www.customcontainerliving.com/>
- <https://ashland.news/talent-celebrates-fast-track-senior-housing-project/>
- <https://ageplus.org/>

As a reminder per the December 17th meeting minutes:

Group decided that policies and service types would be discussed at the February Meeting with the request that a draft recommendation around policies and service types be brought to Council the first meeting in March to allow for Council feedback prior to public engagement and final report drafting. The March meeting will be utilized to finalize site development recommendations to take to Council. The goal is to provide Council with a comprehensive report with recommendations in April recognizing the adopted master plan that restricts drop-in services and preserving the severe weather shelter operations at the building. Public engagement at 2200 Ashland Street the first week of April 5:30 – 7:00p.m. was requested to solicit feedback on the draft recommendations. The group decided if needed a special meeting to complete the work will be called in April pending how development of recommendations go.

Participant Good Neighbor Contract

Community Standards Beyond the Site

This Participant Good Neighbor Contract (Agreement) is a condition of participation in (the Program). It explains what the Program expects of participants in the area around the site so the surrounding community remains a safe, clean, and welcoming partner. This Agreement is written as program rules and participation conditions, with a fair notice and review process for suspension or exit.

By signing, you confirm you received this Agreement, it was explained to you, and you understand that continued participation requires following it.

1. Definitions

1. **Participant** means a person receiving services through the Program.
2. **Site** means the Program's building(s) and any area controlled by the Program on its property.
3. **Property Line** means the boundary of Program-controlled property at 2200 Ashland Street.
4. **Entrance** means the main entry gate used for participant access at 2200 Ashland Street
5. **Public Space** includes sidewalks, streets, and other public rights-of-way. Public space remains public. The Program sets expectations for participants but does not create new laws or replace city enforcement.
6. **Immediate Safety Threat** means conduct that creates a serious and imminent risk of harm to any person.

2. The Zone Standards

The Program uses distance-based zones to make expectations clear. Distances are measured outward from the Property Line nearest the Entrance unless a posted map states otherwise. A zone map is attached as Exhibit A.

Zone A: On the Site and within 50 feet past the Property Line

This is the immediate area around the Entrance and the site frontage.

Participants agree to:

1. Keep entrances, sidewalks, driveways, and ADA routes clear.
2. Follow check-in, line, and queue instructions from staff.
3. Use only designated waiting areas identified by staff or signage.
4. Keep voices low and avoid disruptive behavior near doors and windows.
5. Put all trash in bins and do not leave belongings or items on sidewalks.
6. Do not smoke or vape in posted no-smoking areas and use designated smoking areas only.
7. Do not block bus stops, business entrances, loading zones, or residential driveways.

Zone B: 100 yards past the Property Line

This includes the nearby blocks surrounding the site.

Participants agree to:

1. Respect businesses, residents, and passersby. No harassment, intimidation, discriminatory slurs, or threatening behavior.
2. Do not trespass on private property, including doorways, patios, lots, and service areas.
3. Do not create excessive noise, especially during Quiet Hours.
4. Use restrooms provided by the Program when available and ask staff for help accessing restrooms if needed.
5. Do not litter, dump items, or leave food, needles, or other hazardous materials in public areas.

Zone C: 1/4 mile square past the Property Line

This includes the broader neighborhood.

Participants agree to:

1. Do not create repeated neighborhood disturbances connected to the Program, including repeated noise, repeated arguments, repeated littering, repeated trespass, or repeated harassment.

2. Do not store belongings in public spaces or on private property.
3. If you see a safety hazard connected to Program activity (trash buildup, broken glass, sharps, someone in crisis), tell staff so appropriate services can respond.

3. Conduct Standards in All Zones

Participants agree to:

1. Treat neighbors, staff, other participants, and the public with respect and dignity.
2. Not engage in harassment, intimidation, discriminatory slurs, threats, or stalking behavior.
3. Not fight or engage in aggressive behavior.
4. Not damage property, tag, vandalize, steal, or tamper with vehicles, buildings, or landscaping.
5. Not bring weapons onto the Site and not brandish or use weapons in connection with Program participation.
6. Follow staff directions when staff are addressing safety concerns, de-escalating conflict, managing lines, or responding to emergencies.

4. Quiet Hours and Noise

Quiet Hours: 8pm to 7am

During Quiet Hours, participants agree to:

1. Keep conversations low and avoid shouting.
2. Not play amplified sound near the Site.
3. Avoid lingering near residences or business entrances.

5. Cleanliness and Community Care

Participants agree to:

1. Use trash bins and keep food waste contained.

2. If you see Program-related litter, pick up what you can safely pick up and place it in a bin.
3. Use sharps disposal containers if provided by the Program.
4. Tell staff if you see needles or other hazardous waste so staff can respond using established safety protocols.
5. Not leave personal items, bedding, carts, or bags in doorways, on sidewalks, or on private property.

6. What to Do When You Need Help

If you are overwhelmed, in conflict, or at risk of violating this Agreement, participants agree to ask staff for help before problems escalate.

7. Reasonable Modifications for Disabilities

The Program will provide reasonable modifications to rules and procedures when necessary to ensure equal access for individuals with disabilities, unless doing so would fundamentally alter the Program or pose a direct threat that cannot be mitigated.

How to request a modification:

- Ask: (role/title, for example “Shift Supervisor”)
- Method: (in person, phone, written form)
- Response timeline: (x) business days

8. How Concerns Are Addressed

The Program’s goal is to correct problems early and keep participants engaged, using a graduated response process and documentation.

Graduated response steps (typical)

Step 1: Coaching reminder and problem-solving and verbal warning

Step 2: Written warning and a corrective plan

Step 3: Time-limited suspension from services, if needed

Step 4: Exit from the Program as a last resort

Support options that may be included in a corrective plan:

- Increased check-ins with staff
- Conflict mediation or de-escalation support
- Referral to behavioral health or substance use supports
- Alternative waiting arrangements

Immediate safety hold

If there is an Immediate Safety Threat, the Program may issue an immediate suspension pending prompt review.

Immediate safety hold examples (**customize**):

- Violence or credible threats of violence
- Weapon use or brandishing
- Serious harassment or stalking
- Arson or serious property damage
- On-site substance use

9. Notice, Review, and Appeal

For a non-emergency exit, the Program will provide:

1. Written notice stating the reason for the proposed exit.
2. An opportunity for the participant to provide information (written or oral).
3. Review by a decision-maker not involved in the original decision.
4. A written decision.

Timelines:

- Notice provided within: 2 business days
- Review scheduled within: 4 business days
- Written decision issued within: 6 business days

If an immediate safety hold occurs, the Program will review the hold within: 4 business days.

10. Privacy and Communication Limits

The Program will not share participant-identifying information with neighbors or the public. The Program may share general information about what actions were taken to address concerns, consistent with confidentiality requirements.

11. Acknowledgment and Signature

I acknowledge:

- I received this Agreement and it was explained to me.
- I had the opportunity to ask questions.
- I understand the zone expectations and community standards.
- I understand that continued participation in the Program depends on following this Agreement and the Program's on-site rules.

Exhibit A: Map Example

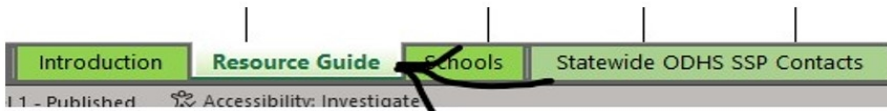

Introduction

The **Community Resource Guide** is a tool built to help people who are looking for resources in the community find the support they need. It's a constantly updating list of organizations, individuals, and programs that are there to help people.

If you have ideas on how the guide could be expanded or changed to make it more accessible, please reach out and let us know! We're always looking to make this tool even better for the people who use it.

If you would like to go directly to the guide, go to the tabs at the bottom of the page and select **Resource Guide**.

Structure of the Guide

The Community Resource Guide is an excel spreadsheet table. The rows represent the various organizations, individuals, and programs that are resources for the community. The columns represent the various categories that the rows can be sorted into, along with other important information. This section will go over the columns and the information they hold.

Column A - Agency

This column lists the name of the organization, individual, or program.

Column B - Category

This column lists the various categories that the **agency** can be described by and is the primary sorting tool for the Community Resource Guide. A detailed description of each category and what it means will be provided in the **Categories** section of this introduction.

Column C - County

This column lists which counties the **agency** operates in. The current counties on the guide are Jackson, Josephine, and Statewide for resources that also operate in areas beyond Jackson and Josephine counties.

Column D - City

This column lists which cities in Jackson and/or Josephine counties the **agencies** physically operate out of. If the services is county wide and/or has no physical location, the largest city within that county will be selected (Medford for Jackson County, Grants Pass for Josephine County). If the **agency** works beyond Jackson and/or Josephine counties, statewide will be used.

Column E - Web Address

This column lists the primary web page for the **agency**.

Column F - Phone

This column lists the phone number for the **agency**. Multiple phone numbers may be listed.

Column G - Email

This column lists the primary email contact for the **agency**. Multiple emails may be listed.

Column H - Address

This column lists the primary address for the **agency**. If there is a separate mailing address, or a mailing address only, it will be listed here.

Column I - Language

This column lists the languages that the **agency** offers services in. The denotation of **Translation Services** means that the **agency** uses a translation service to communicate with folks in multiple languages that they may not have a speaker of on staff.

Column J - Notes

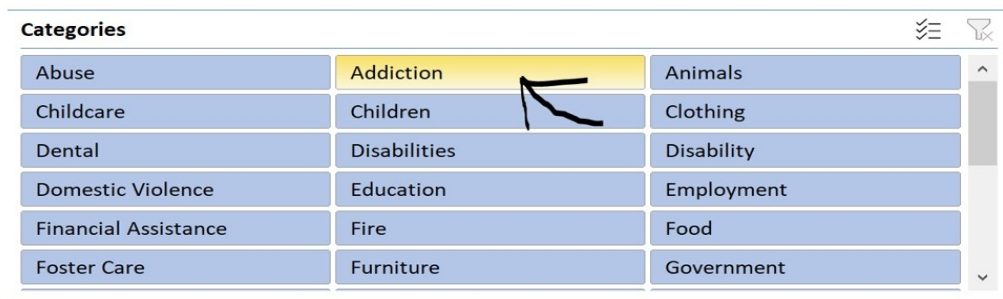

This column gives a detailed description of what the **agency** does, the types of services it offers, operating hours, and any other important information.

Filters

To navigate the wealth of information in the guide, there are filters at the top that will highlight rows based on the **Category**, **City**, **County**, and **Language** columns. Using one of these filters will eliminate all the information that does not fit the selected filter.

For example, if you are looking for all the **agencies** that offer help with **addiction**, you can use the filter to narrow your search to rows that have that information.

Click the button on the filter you would like to use:

The filter will apply to the current listings and will remove any rows that do not contain that **category**.

Child Passenger Safety Program	Children	Grants Pass	https://www.grantspassoregon.gov/432/Child-Safety-Seat-Program	541-450-6200	tmarsh@grantspassoregon.gov		English	Correct child restraint use can be daunting due to the many variations between vehicles and car seats. The mission of the coalition is to provide access to free education on correct child restraint use and provide reduced-cost car seats to families in need. Individuals on OHP or families working with WIC qualify for reduced-cost seats. The coalition provides convertible and combination seats for \$30 cash and booster seats for \$10 cash. Additional discounts are available for some individuals working with WIC. OHP/WIC distributions are held every other month at the Hillcrest Fire Station. Call 541-450-6200 for information on the next distribution or seat check event. Keep in mind that distribution events are on appointment basis only and they may reach capacity quickly. Appointments are scheduled for these events to ensure that we can help all that have signed up. Expect to spend at least 30 minutes working with a technician to learn safe child restraint use.

GriefShare	Mental Health	Statewide	https://www.griefshare.org/	800-395-5755	info@griefshare.org		English	It may be hard for you to feel optimistic about the future right now. If you've lost a spouse, child, family member, or friend, you've probably found there are not many people who understand the deep hurt you feel. This can be a confusing time when you feel isolated and have many questions about things you've never faced before. GriefShare groups meet weekly to help you face these challenges and move toward rebuilding your life. Visit our webpage for local group information.

Maslow Project	Children, Education, Housing Assistance, Infants/Pregnancy, Teens	Grants Pass	https://www.maslowproject.com/	541-841-1974		223 SE M St, Grants Pass OR 97526	English, Spanish	<p>At Maslow Project, we realize that basic needs must be met before children and families can focus on higher goals. How can children be expected to concentrate in school when their bellies are empty and they slept on a crowded living room floor? How does a high school student study for the SATs when a desk is the front seat of a car? How does a young adult who's been disconnected from family, school, and community, re-engage in a meaningful way when they've been in survival mode for so long? We know if families and children can stabilize, youth are far more likely to finish high school, have more positive long-term outcomes, and stop the cycle of homelessness.</p> <p>Grants Pass Hours: By appointment, Monday - Friday, 1pm - 5pm drop in hours</p>
		Medford	https://www.maslowproject.com/	541-608-6868		500 Monroe St, Medford OR 97501 Mailing: PO Box 999, Medford OR 97501	English, Spanish	<p>At Maslow Project, we realize that basic needs must be met before children and families can focus on higher goals. Rogue Redwood Area Of Narcotics Anonymous	Addiction	Cave Junction	http://www.rogue-redwoodna.com/	Various, please see meeting schedule for details		Various, please see meeting schedule for details	English	NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work. See meeting schedule for details: http://www.rogueredwoodna.com/meetings/ See online meeting schedule for details: http://www.rogueredwoodna.com/online-meeting/

Oregon Department of Health

of Human Services Districts Map

Feb. 2016

Categories

Categories are used to help define what types of services and help an agency can provide. An agency can list as many categories as needed to describe what they do. Listed below are the current working definitions of each category and what they represent. If categories are redefined or added in the future, this page will be updated to reflect it.

Abuse

Agency is responsible for taking reports of abuse towards individuals of specific demographics and acting on them if possible/needed.

Examples

- Child abuse
- Senior abuse
- Abuse of people with disabilities

Addiction

Agency provides services to people experiencing addiction to controlled substances.

Examples

- Substance abuse counselling
- Peer supports
- Inpatient/Outpatient services
- ... and other related services

Animals

Agency provides services related to pet care.

Examples

- Pet food
- Pet medical services
- Spay/neuter services
- ... and other related services

Childcare

Agency provides childcare services and supports.

Examples

- Childcare
- Activity programs
- Trainings for childcare providers
- ... and other related services

Children

Agency provides supports centered around the wellbeing of children.

Examples

- Children's activities
- Child raising educational resources
- Court advocacy related to children
- ... and other related services

Clothing

Agency can provide clothing resources.

Examples

- Free donated clothing
- Clothing vouchers

Dental

Agency offers dental services and/or has programs to help pay for said services.

Examples

- Veteran medical supports and care
- ... and other related services

Women

Agency provides services that specifically work to support women.

Examples

- Provides women centric medical services
- Helps with business supports and networking for women
- ... and other related services

Services and Accountability Plan

Key Deliverables under development include:

- A draft Good Neighbor Agreement
- A structured list of desired services to guide the RFP
- A clear grievance and appeals escalation process for participants
- A clear escalation process for community
- Defined geographic responsibility zones around the site
- Examples of self accountability practices for participants and providers
- Clear expectations for operational and financial responsibility

Major Topics

1. Coordinating Agency Model

Proposal that:

- The city issues one “Master Lease” contract to a coordinating organization
- That organization oversees:
 - Appointment tracking
 - Participation agreement compliance
 - Security coordination
 - Office staffing
 - Provider accountability
 - Utilities and operating expenses
- City responsible only for major infrastructure failures

2. RFP Structure and Parameters

Recommendations include:

- Keeping the RFP flexible in structure
- Defining outcome expectations rather than methods
- Allowing nontraditional applicants, such as staffing or operational nonprofits rather than service providers
- Framing the site as a place where services are delivered directly, not merely navigated elsewhere

3. Service Category Framework

- Creating service categories
- Including example providers under each category
- Using the community resource spreadsheet from ODHS as a reference
- Identifying service gaps in Ashland compared to Medford/JC
- Requiring the coordinating agency to staff offices with providers aligned with those categories

4. Grievance and Appeals Escalation Plan

A structured escalation pathway for participants:

1. Provider level
2. Coordinating agency
3. Housing and Human Services Commission as independent review body

Key goals:

- Clear redress process
- Response timelines such as five day policy
- Reduced burden on city manager's office
- Independent oversight at final level

7. Community Accountability Practices

- Recommendation: Require RFP applicants to propose self accountability practices centered around pride and contribution based participation

Free-Flow Thoughts:

- Add SeeClickFix recommendation as reporting mechanism for community
- Need operational expenses for the building
- Need to discuss specific geographic boundaries
- HHSAC need approval recommendation to council of responsibility for grievance/appeals process
